

**State-owned Corporation of Arzaq** The Only Safe, Reliable, and Trusted Source for Food Supply to Governmental and Non-Governmental Organizations Nationwide;

The leadership of **State-owned Corporation of Arzaq** is dedicated to creating employment opportunities and service facilities for the public.

Accordingly, the company's management prioritizes utilizing its property assets for commercial activities. This allows national and regional entrepreneurs to invest securely and confidently in Afghanistan.

Beyond its core operations, **State-owned Corporation of Arzaq** considers providing services and carrying out its responsibilities to the public as a moral and conscientious duty.

According to its future strategic plan, the company strives to expand its food supply and distribution services to all governmental and non-governmental organizations.

**State-owned Corporation of Arzaq** remains the only safe, reliable, and trusted source for food provision in the country.
