

The State- Owned Corporation of Arzaq – Achievements and New Hopes for the Future;

Like in previous years, **The State- Owned Corporation of Arzaq** achieved significant progress and notable results during the past year. Throughout its journey, the company has witnessed substantial development and has successfully fulfilled its responsibilities.

In the current year as well, **The State- Owned Corporation of Arzaq** plans to introduce new improvements and expansions in its core operations and services, in order to extend the scope of its activities to other institutions and sectors.

The State- Owned Corporation of Arzaq has remained an efficient and successful organization, primarily due to its commitment to providing high-quality and timely services. Among these services, the process of supplying and delivering food items to government and private institutions—on time, at high quality, and at reasonable prices—can be particularly highlighted.

The company not only aims to expand its activities and services for various government and private institutions within the country, but also strives to earn the satisfaction of its clients through innovation, rapid development, and reliable services, while at the same time creating job opportunities for the citizens.

The State- Owned Corporation of Arzaq – A Publicly Trusted Service!
