

## The State- Owned Corporation of Arzaq – A Trusted Source for Food Supply, Delivery, and Safety.

**The State- Owned Corporation of Arzaq** is one of Afghanistan's key state enterprises responsible for ensuring the safety, storage, transportation, and distribution of food supplies.

The main objective of the company is to provide effective, high-quality, and reliable services to both government and non-governmental organizations, meeting their food requirements in full.

The company supplies and delivers essential food items to public and private institutions at reasonable prices, with high quality, and within specified timelines. Currently, **The State-Owned Corporation of Arzaq** has formal contracts with **four key ministries**, through which it meets their food supply needs.

Like in previous years, **The State- Owned Corporation of Arzaq** achieved significant results in the past year, successfully fulfilling its responsibilities. During this period, the company made remarkable progress, expanded its service coverage, and gained the trust of government officials.

The leadership of **The State- Owned Corporation of Arzaq** is striving to further enhance the company's core operations and commercial plans, in order to extend the reach of its services.

### Dear citizens!

Let us invest in this national enterprise, using our capital to strengthen the domestic economy. In doing so, our wealth remains secure, and at the same time, the country's economy will grow and prosper — God willing.
