

State-owned Corporation of Arzaq;

State-owned Corporation of Arzaq is the only state-owned company in the country that operates in the food supply sector. It provides food products to both governmental and non-governmental institutions in a safe, reliable, and timely manner.

With a history and service record spanning over 85 years, the company has delivered various services, food products, and commercial opportunities to the people of the country.

In addition to its core operations, **State-owned Corporation of Arzaq** also offers commercial services. These business activities not only contribute significantly to the nation's economic development but also provide employment opportunities for many young people across the country.

Currently, the company supplies high-quality raw and fresh food products on schedule to universities' dormitories, provincial hospitals, religious schools, Darul Ulooms, training centers, and kindergartens.

The company's leadership continues to strive to make its services faster and more effective, expanding the reach of its support and ensuring greater benefits for the public.
