

State-owned Corporation of Arzaq Activities Are Expanding;

Through its effective and wide-ranging services, **State-owned Corporation of Arzaq** has been able to deliver essential food products to governmental and non-governmental institutions on time and with high quality. This year, the company's level of service has improved by approximately 58% compared to previous years. The company operates in two main areas: core and non-core activities.

In its core operations, the company focuses on food supply, warehousing, and delivery services. Currently, **State-owned Corporation of Arzaq** holds food delivery contracts with four key ministries: the Ministry of Labor and Social Affairs, the Ministry of Higher Education, the Ministry of Education, and the Ministry of Public Health. Through these contracts, the company has been able to regularly supply fresh and raw food products to government dormitories, hospitals, training centers, and specialized and religious institutions.

Under these contracts, **State-owned Corporation of Arzaq** provides food products from its warehouses to relevant institutions, delivers them to provincial representatives, and ensures they are handed over to the responsible officials at the local level.

In its non-core activities, the company leases or contracts its properties for commercial purposes. These properties are currently used for commercial markets, shops, and other service sectors, generating significant revenue for the company.

State-owned Corporation of Arzaq activities play a constructive role in the country's economic development. The company not only ensures reliable delivery of goods but also provides employment opportunities for numerous technical and non-technical personnel.

Looking ahead, the company plans to expand the scope of its services, further improve service quality, and extend its support to additional institutions.

It is also worth noting that the dedicated staff of **State-owned Corporation of Arzaq** are proud of their work. They strive day and night to provide high-quality, reliable services to the people of the country and to continue advancing the company's growth.
